

EDUCATION

BTech(IT)	2020-2024 Delhi Technological University	8.07/10
CBSE(XII)	2019 BRMVB ASMA	8.4
CBSE(X)	2017 BRMVB ASMA	8.6

EXPERIENCE

Full Stack Development Intern, GetDailyNews247 [MAY 2023-July 2023]

- I focused on improving the website's user interface, implementing various alterations to elevate the overall user experience by incorporating multiple changes to the website. Changed the layout, background color, typography and font sizes. Additionally, I integrated JavaScript to enhance the functionality of specific elements and proposed innovative ideas aimed at further enhancing the user experience.

ACADEMIC PROJECTS

Web Blog App| MERN stack - [Link to repo](#)

- Separate schemas for users and blogs to maintain well organised database structure. It can be used for scalability and efficiency.
- Safeguard the financial data with bcrypt for password hashing and secure token based authorization ensuring privacy of user information. Ensure data security by implementing protected routes that grant access to only authorized users.
- Empower users with ability to create, edit and delete their blogs promoting personalized creation process. Follows a standard approach for Api responses and errors.

Expense Manager| MERN stack- [Link to repo](#)

- A web app that allows its users to keep track of their daily expenses and their income in an effective manner.
- Created a login and register functionality, connected it with the database, and used measures to make it secure.
- On the expense management page a user can find details about expenses done by him and he can sort them on a weekly, monthly or yearly basis and also in an analytical form.

Currency Converter| [Link to repo](#)

- Access up-to-date exchange rates from a reliable source, ensuring accuracy in currency conversions. Choose from a comprehensive list of currencies, making it versatile tool for international users.
- Experience an intuitive and easy-to-navigate design that caters to all levels.
- It supports real time conversions i.e. users witnesses an instant currency conversions facilitating quick decision making.

ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

- Solved 450+ problems in total on platforms Leetcode, GFG, and Code Studio.
I was a member of the school's volleyball team and actively took part in numerous inter-school competitions.

SKILLS

- **Programming Languages:** C++, C, HTML, CSS, Javascript
- **Technologies:** ReactJS, NodeJS, ExpressJS, MongoDB, Git, SQL, MySQL, Bootstrap, APIs
- **Courses:** OOP, Data Structures, Operating Systems, Algorithms Design & Analysis, DBMS.

DECLARATION

I hereby declare that the details furnished above are true and correct to the best of my knowledge and belief.
